

Erie Fresh

Edible Greenhouse Garden

Volunteer Hours - Every Saturday from 3pm until 7pm

Welcome to the Erie Fresh Edible Greenhouse Garden. Every plant you see here is a food plant. All that we grow is harvested for the poor and hungry in an effort to bring a higher standard of living within the community. We ask that you help to protect this garden and embrace it as a symbol of sustainability for the generations to come.

Special thanks to the following contributors who make this garden grow:

Citizens, Friends of the Greenhouse, The City of Sandusky, Save Our Shoreline Parks, Mulberry Creek Herb Farm, Barnes Nursery, Heywood Gardens, Riehm Farms, The Berlekamp Family, Bailey's Tree & Landscape, Birdhouses by Heidi, ML Graphics, Jack's Deli, Red Gables, The Erie Wire, OSU Extension - Master Gardeners, Haag Environmental, Lowe's and Home Depot.
